

Cook Inlet Planning Area Oil and Gas Lease Sales 191 and 199 Environmental Impact Statement (Final)

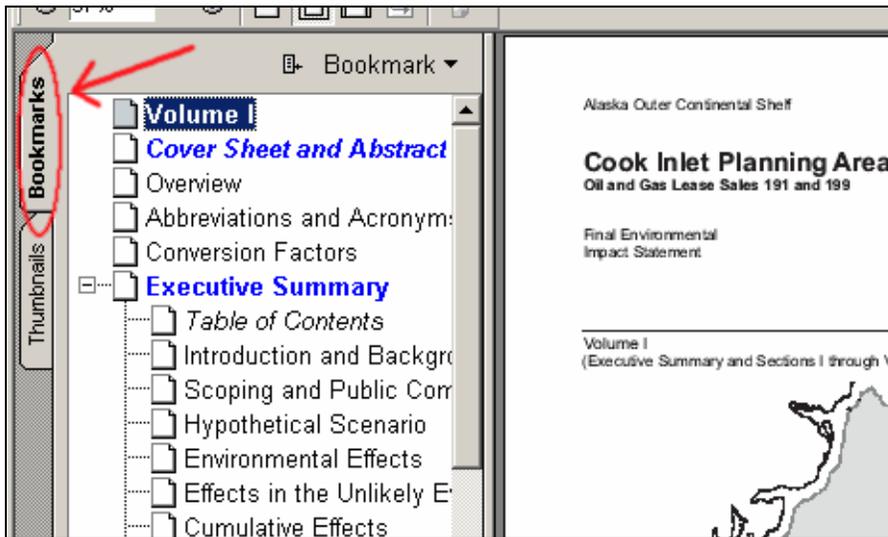

This environmental impact statement (EIS) assesses two lease sales in the Final 2002-2007 5-Year Oil and Gas Leasing Program for the Cook Inlet Outer Continental Shelf (OCS) Planning Area.

The EIS is organized into three volumes: Click on the links below to go directly to the table of contents for each volume.

- [Volume I, Executive Summary and Sections I through VI](#)
- [Volume II, Section VII and Appendices](#)
- [Volume III, Tables, Figures, Maps, Bibliography, and Index](#)

First time users may wish to read the [Overview and General Information](#) provided in Volume I. This section summarizes the content and layout of the EIS.

Bookmarks have been created to help you quickly navigate between sections in each volume. Use the bookmarks tab to show/hide this navigational tool.

Most of the referenced figures and tables in the text throughout the document have been linked. When a link is available, the mouse pointer will change from a hand icon to a pointer icon
