

Natural Gas Production

OCS vs. All Other Domestic*

Totals and percents may not equal the sum of the components due to independent rounding. All Other Domestic* consists of State Waters Production and On-Shore Production. For the year 2002, Totals are preliminary estimates based on marketed production. OCS gas includes gas well gas, cas-inghead gas, vented and flared gas, Other includes sum of marketed, vented + flared gas. **SOURCE:** TIMS and DOE Monthly Energy Review (Archives 1954 - 1994) (updated 8/03)
